[Mette Halskov Hansen] -- This study finds that standardized, homogenizing state education is in itself incapable of instilling in students an identification with the Chinese state, ironically often increasing ethnic identity. **Lessons in being chinese : minority education and ethnic ...** gual education among minorities in China generally is a variant of so-called transitional bilingualism, which promotes study of the mother tongue with the purpose of hastening proficiency in the majority language (Churchill 1985: 54-56). Chinese minorities whose language lacks a script are normally excluded from the discussion of bilingual education. **Lessons in Being Chinese - muse.jhu.edu** Lessons in Being Chinese: Minority Education and Ethnic Identity in Southwest China In such a populous (1.3 billion), multi-ethnic, multi-cultural and multi-lingual nation, state education plays a vital role in mainstreaming the cultural behaviours of all her non-Han minority nationalities (90 millions), and directing loyalty towards the state. **Lessons in Being Chinese: Minority Education and Ethnic ...** Ethnic minorities in China are the non-Han Chinese population in China. China officially recognizes 55 ethnic minority groups within China in addition to the Han majority. As of 2010, the combined population of officially recognized minority groups comprised 8.49% of the population of mainland China. In addition to these officially recognized ethnic minority groups, there are Chinese nationals who privately classify themselves as members of unrecognized ethnic groups. The ethnic minority groups **Ethnic minorities in China - Wikipedia** Lessons in Being Chinese is based mainly upon data collected during field-work in two autonomous areas in Yunnan Province and among two ethnic minorities: the Tai (Dai) in Sipsong Panna (Xishuangbanna) Tai (Dai) Autonomous Prefecture and
